

OUR RESULTS 2016

A new, more challenging curriculum was introduced in 2015 and assessed for the first time this summer. These tables compare the results we achieved in May 2016 with National results. 2016 also saw the introduction of a new system of assessing progress and so results to the previous year are not completely comparable. However we have taken the age related expectation from each system to make a simple comparison

TEACHER ASSESSMENT RESULTS AT KEY STAGE 1

	Baines 2016 % at National Standard	National 2016 % at National Standard	Baines 2016 % working at greater depth	Baines 2015 % at Level 2B+	National 2015 % at Level 2B+	Gap to national
Reading	51/70=74%	74.1% no gap	33%	78%	82% 4% below	Gap reduced
Writing	51/70=73%	65.4% 7% above	11%	71%	72% 1% below	Gap reversed
Maths	51/70=73%	72.9% no gap	20%	78%	82% 2% below	Gap reduced

A positive set of results putting us in line with National Averages in every area. We are particularly proud of how well the children attained in writing where we ended the year well above National Averages. We are also delighted that our more able children (working at greater depth) made great progress as we were above National Averages at greater depth in both reading and maths. Our KS1 results represent good progress, as children tend to join our school just below National averages.

TEST RESULTS AT KEY STAGE 2

	Baines 2016 % at National Standard	National 2016 % at National Standard	Baines 2016 % working at greater depth	Baines 2015 % at Level 4B+	National 2015 % at Level 4B+	Gap to national
Reading	55%	66% 11% below	8%	69%	80% 11% below	Gap same
Writing	77%	74% 3% above	8%	Level 4 86%	Level 4 85% 1% above	Gap grown
EGPS (English - grammar, punctuation and spelling)	71%	72% 1% below	23%	63%	73% 10% below	Gap reduced
Maths	76%	70% 6% above	11%	59%	77% 18% below	Gap reversed
Combined - Reading, Writing, Maths	48%	53% 5% below	0%	Level 4 73%	Level 4 80% 7% below	Gap reduced
Progress measures	Reading We are above floor (-5) by 3.1	-1.9	Writing We are above floor (-7) by 7.9 and children have made better progress than those nationally	+0.9	Maths We are above floor (-5) by 5.5 and children have made better progress than those nationally.	+0.5
Average Score	Reading test Baines 99.6 National 102.6				Maths test Baines 102.4 National 103.0	

We are really proud of how well our Year 6 children did this year; new tests and a much more challenging curriculum and yet we were close to national averages in EGPS and above in writing and maths. We were particularly pleased with our attainment in maths, 6% above the national average is a real achievement. Of some concern our reading results and the percentage of more able children who were working at greater depth, where we remained below national averages and our results didn't reflect the hard work put in by both children and staff.
