

## OUR RESULTS 2017

An excellent year across school, we are thrilled with the results our children have achieved - attainment has risen at the end of every Key Stage!

### Teacher Assessment Results at EYFS (Early Years Foundation Stage)

We report the percentage of children who reach "Good Level of Development" (expected standard) across a number of areas of the curriculum.

	2017	2016	2015
Baines' Endowed	65%	64%	63%
National		69%	66%

A steady increase, which is positive. As our children tend to enter school at well below national average our results show good progress in our reception classes.

### Phonics Assessment at Key Stage 1

Phonics Test	2017	2016	2015
Baines' Endowed	83%	80%	87%
National		81%	77%

An increase of 3% on last year – excellent news! Most positive was the significant increase in the percentage of pupil premium children reaching the expected standard in the phonics test.

### Teacher Assessment at Key Stage 1

	Baines 2017 % at National Standard	National 2016 % at National Standard	Gap to national at National Standard	Baines 2016 % at National Standard	Baines 2017 % working at greater depth	Baines 2016 % working at greater depth
Reading	51/67=76%	74% <b>2% above</b>	Gap increased	51/70=74%	30%	33%
Writing	46/67=69%	65% <b>4% above</b>	Gap reduced	51/70=73%	19%	11%
Maths	53/67=79%	73% <b>6% above</b>	Gap increased	51/70=73%	30%	20%

A really positive set of results putting us above last year's National Averages in every area. We are particularly proud of how well the children attained in maths, ending the year well above National Averages. We are also delighted that our more able children (working at greater depth) made great progress, again maths and writing results stand out. Our KS1 results represent really good progress, as these children left EYFS below National Average. GREAT RESULTS, WELL DONE YEAR 2!

### Test Results at Key Stage 2

We are really proud of how well our Year 6 children have done this year; it is a fantastic achievement to end the year above National Averages in every area. We are particularly proud of our maths results and the big increase in the percentage at National Standard in both reading and EGPS. We were delighted with the increase in the percentage of more able children working at greater depth in each area – GREAT RESULTS, WELL DONE YEAR 6!
