How last year's funding made a difference to the PE and sport participation:

The standard of PE teaching has continued to improve across the school

Fully inclusive PE lessons

98% of pupils said they liked PE, knew what they were learning in lessons and that their teacher helped them to get better at PE

A range of after school clubs provided by the school

More pupils taking part in competitive sport

High participation in Blackpool School Games

How we will ensure these are improvements are sustainable

Support from Blackpool F.C. Community Trust, Steve Tomes PE and Sport, and Blackpool Children's Services continues to up-skill our class teachers and teaching assistants by increasing subject knowledge and confidence. It also provides new ideas for support and challenge in our PE lessons.

Introducing pupils to a wide range of sports from a broad curriculum, will give them the opportunity to develop new skills, which they can use to access sport and physical activity for their life time.

The school's PE team and senior leaders undertake lesson observations termly. Staff and pupils complete questionnaires relating to their skills, confidence and enjoyment in Physical Education to measure the impact of these interventions which the Sports & PE Funding Grant provides.
